They won't! You want to keep us in the EU. We are (in)security threat to you! All your arguments are rational but they are not rational enough. It's easy for you to say Brexit will affect India but I wonder if you have thought that if Britain leaves the EU, why all the supplies of goods would stop? There will be no trade with Britain. All the people that work in the streets in London will have no jobs. Anyway, do you care about them? The Europeans are still in fear of outside its own doors and they should be! They are facing more troubles than any other regions of the world. They are facing global monetary crisis, economic depression, social crisis and more! The solution to those troubles is not voting for Brexit! A) Britain is more important for Europe than it has been since the end of the Second World War. Britain is only one member of the 27-nation European Union, but it has been "a pillar of the community" and "a light unto the nations" in its eastern and southern neighbors. In the Middle East, Britain has a crucial role to play in dealing with Iran, Syria and Libya. And Britain is a major trading partner to India, which will be severely affected by Brexit. B) India is a trading power that can't be ignored. If India leaves the EU, the world economy will be hampered. A) Britain is a close ally and a major trading partner of India. More than \$40 billion of Indian trade is with Britain. India is Britain's seventh largest trading partner and seventh largest destination for inward investment. B) Britain has become a major market for Indian goods. However, if Britain leaves the EU, India will be forced to look for other countries to buy from. Britain supplies all kinds of agricultural products like 04aeff104c
